Proposal

Each December, Food Angels create 150 Christmas Hampers for families supported by Challenge. These hampers are filled with festive staples, pantry essentials, and Christmas treats small comforts that bring warmth and cheer during a difficult time.

This year, we're seeking donations of food items, packaging supplies, or financial contributions to help fill and deliver the hampers.

We require 150 items to be delivered to the Challenge (589-535 King Street, West Melbourne) between 4–9 December.

Once packed, the hampers are personally delivered to families by our dedicated team and volunteers ensuring every parcel arrives with care and a personal touch.
Every contribution helps us share joy, relieve stress, and remind families facing cancer that their community cares.
