Honouring a Loved One

1

Dedicate a hole in memory of someone close – include a framed photo and short tribute.

2

Invite families to share a memory on a “Wall of Remembrance” at the clubhouse.

3

Include a moment of silence or a toast before tee-off to reflect and honour those we've lost.

4

Light a candle or release a balloon at the end of the day to mark the occasion.

5

Set up a Memory Jar where players can write a note or message to someone they're playing for.

6

Create personalised yellow ribbons with names of loved ones to be worn or displayed.

The choice is yours!
